

Where is This?

Are you familiar with these historic buildings?

Bend Hardware, built 1918

Reid School built 1914

Fire Hall, built 1920

Tower Theatre built 1940

These buildings are still around. Circle their location on the map provided and note what the building is today.

Have fun with Historic Preservation!

Inside this brochure you will find ten architectural elements and their downtown locations. On the map provided, match the “ART”ifact to its location.

While you hunt downtown discover historic sites. Is the building still there? Write in the space provided what now occupies the address.

All answers are found within the **red boundary** on the map.
