Category Descriptions

Best Presentation

Knock our socks off with a molded creation Grandma would be proud of.

Most Savory

Gelatin isn't just for dessert!

Your Family's Salad Recipe

Let's face it, there is always that one salad that has to be at every family holiday. Maybe it's pink, maybe it's green. Whatever it is, we need to see it. (Bonus points if you have a family photograph with the salad in it.)

Nailed It! Best Ooops You Tried

Just because you bought the mold doesn't mean you can get it out of the mold. But we don't care! You gave it your best.

This event is also a food drive, so please bring non-perishable food items to share!
